The Institute.....Hi-Tech Campus

Indian Institute of Technical Trainings, Kartholi/Dassal (Inside Kala Gate), Bari Brahamna, Jammu came up with the vision “to nurture excellence in the education and provide key concepts and powerful insight into the field of Nursing and paramedical sciences. “The Institute was established by Shri Durga Dass Sharma Memorial Society, a registered society under the Societies Registration Act-VI of 1998 (1941 AD) under the able guidance of dedicated Administrator/Medical Professionals who have engaged themselves for free medical treatment through Health Mela/Camps for over two decades and now engaged for Nursing, Paramedical, Skill development and Technical courses to provide sustainable employment opportunities to poor, SC, ST and students from backward areas.

Vision - *To be acknowledged as a leading model of the institution offering brilliance in quality of education to uphold research activities and turning out intellectually liberal, morally upright, emotionally balanced and socially devoted health care professionals.*

Director's Message....

I take pride in introducing Indian institute of Technical Trainings (IIT-T) Jammu which has created niche within a short period of existence of this Institution. A dedicated Administrator and Medical Professionals of society who have engaged themselves for free Medical Treatment camps at different places of Jammu Province for over a two decades and now engaged themselves for Nursing, Paramedical, skill development and technical Courses to provide sustainable employment opportunities to the poor and weaker sections of society. Our Mission is to develop young professionals who are capable of providing insightful Services in the Nursing/Paramedical field thereby creating knowledgeable, dedicated medical Professional human resources to work in Hospitals; Nursing Homes for Patient care besides to nurture excellence in education.
